Board Recruitment

Across Boundaries is a mental health centre that provides a range of mental health and addictions support and services to individuals from racialized and Black communities in the Greater Toronto Area. We have a holistic approach to mental health care and operate within an anti-racism/anti-oppression and resisting anti-Black racism frameworks. These frameworks focus on providing opportunities to respond to systemic barriers, advocate for the inclusion of traditionally and historically silenced voices at decision-making tables, and strive for change at the individual, organizational and systemic levels.
